POLICY

1. School profile

Description:

Lakes Entrance Primary School has a current student population of 244 and services the coastal township of Lakes Entrance in East Gippsland. It is the only state primary school in the town with five other smaller government primary schools within 20kms. The local Secondary College is within walking distance.

Lakes Entrance is where Australia's largest inland network of waterways, the Gippsland Lakes, meets the Southern Ocean. Living, working and being educated in the beautiful seaside township, snuggled between the mountains and the edge of the Ninety Mile Beach provides inspiration, serenity and a community where strong relationships are forged.

The outlook is picturesque, the climate is "Mediterranean" and the opportunities are without bound.

The town is 320kms east of Melbourne, with Bairnsdale the major "city" thirty minutes to the west.

The school community is diverse and inclusive, acceptance of difference underpins the school community values

Mutual Respect - Always treat others as you would like to be treated

Persistence - Keep on trying and never give up

Success - Always strive to achieve our goals

Belonging - We value and accept each other

We are proud of our diversity and inclusive school community. Our school has strong representation from the Koorie community, with 18% of our students being Aboriginal.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Lakes Entrance Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

Our Statement of Values is available online at: www.lakesps.vic.edu.au/about/policies
